NOTE FOR FILE

SUBJECT: Extracts from McCoy's Book Delivered to Lucien Conein

STAT

I received a call from  DDP/NARCOG, who told me that he delivered a copy of the 20 extracts from the McCoy book which referenced the alleged interview with Mr. Lucien Conein to Mr. Conein's residence. In talking to Conein yesterday he asked that they be dropped off at his home for his information and use in correcting his letter to Harper and Row, publishers of Alfred McCoy's Politics of Heroin in Southeast Asia.

5. [redacted] Met with Miss Louise O'Brien, House Foreign Affairs Committee staff, who told me that the onward itinerary for Jack Brady and Robert Boyer, of the Committee staff, is somewhat uncertain. They plan to leave Indochina about Friday, 1 September, for Hong Kong and then return to the States. These travel plans, however, are subject to confirmation later in the week.

See Memorandum for the Record. [redacted] 25X1

7. [redacted] During a conversation today Ed Braswell, Chief Counsel, Senate Armed Services Committee, mentioned that Chairman Stennis is in town this week. Braswell said he talked with the Chairman today and nothing of CIA interest came up. He did say, however, that as he had mentioned to Mr. Maury before the recess, the Chairman might like to have a briefing from the Agency similar to the one which Mr. Duckett gave to the Senate Foreign Relations Committee. Braswell said he would get in touch with us if this was the case.
